

## Sub-contractor Change Notice Confirmation

The city requires the contractors shown below to have licenses in good standing with their state regulating authority. They must have an active registration with the city.

By signing this application, you are confirming that you are under contractual agreements with the general contractor/homeowner to provide services. This document is a contract.

Signing someone else's signature on a contract is forgery and is a felony in the state of Texas.

Only these contractors and their appropriately licensed employees are authorized to perform electrical, mechanical, and plumbing work associated with this permitted project.
