

# Prepare an Emergency Car Kit

Disasters don't always happen when you are home, so make an emergency car kit to remain in your vehicle to help get you home.

## Car Survival Kit Checklist

A perfect vehicle kit doesn't exist- what is right for you depends on your situation and risk tolerance. That said, we have created a starting point for you: our car survival kit checklist.

- ⊕ First aid kit and manual
- ⊕ Battery powered radio, flashlight and extra batteries
- ⊕ Jumper cables or a booster jump box for car battery
- ⊕ Fire extinguisher (a 5 lb., A-B-C extinguisher)
- ⊕ Bottled water
- ⊕ Nonperishable type foods such as granola bars, trail mix, etc.
- ⊕ Spare tire, jack, and lug wrench
- ⊕ Map
- ⊕ Escape tool within reach
- ⊕ Tow strap
- ⊕ Garbage bags
- ⊕ Spare cell phone charger

## Severe Winter Weather Vehicle Supplies

Being trapped in a car during a severe winter storm can become a deadly situation quickly. Here are several items (in addition to the basic list) that can improve your survival chances if you live or are traveling in an area prone to severe winter weather:

### Winter

- ⊕ Ice Scraper/Snow Brush
- ⊕ Tire Chains
- ⊕ Hand Warmers
- ⊕ Spare Winter Clothes

### Summer

- ⊕ Extra water
- ⊕ Hat for sun protection
- ⊕ Cooling towel
- ⊕ Umbrella
